Click on the Meeting Date to open, select “Download” and then select “Open”.

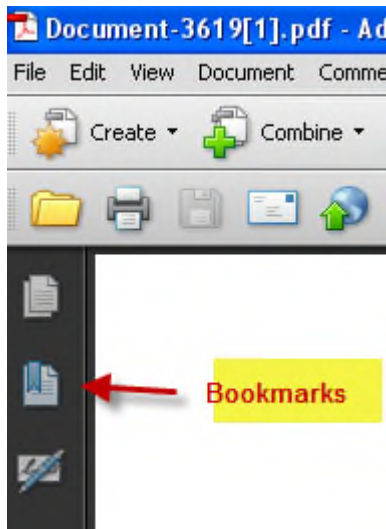

Meeting Type: Regular

If you wish to review the supporting documentation submitted to the Board, determine the letter assigned to the item on the Agenda and click on the corresponding bookmark. For example if you want to view the Resolution honoring Al Peura, locate the letter of the item on the agenda; it is Item C2 as shown below:

Note that there is a duplicate agenda item with an "m" extension. The agenda item letter by itself includes the documents that were submitted to the Board as part of their packet prior to the meeting and the agenda item letter with the "m" extension includes documents that needed to be executed by the Board, such as an agreement or a Resolution. So clicking on "C2-m" takes you to the executed Resolution.
