

To view images in Tax Deed Web:

Java has to be set to allow <http://taxdeed.hernandoclerk.com> under the Java Control Panel.

- Go to Start/Control Panel/Java
- Go to the Security Tab and click Edit Site List as shown below:

- Click 'Add' and type in <http://taxdeed.hernandoclerk.com>

- This should now show in the Exception Site List as shown below. If it does, restart your browser and you will be prompted to allow the image viewer application for this site.
