<sup>2</sup> The Clerk of Court Operations Corporation (CCOC) is the state entity which grants the budget authority for all 67 Clerks. Hernando County is one of only 19 counties in the State that collects more court revenue than it uses for operations.

<sup>3</sup> On July 30, 2019 the Hernando County Commissioners voted to merge the Boards Technology Services Department with the Clerk of Hernando County Information Technology Department to streamline costs and improve workforce efficiencies.

<sup>4</sup> The Clerk's Office receives fees for a variety of services including the recording of land records, processing, marriage licenses, performing ceremonies, and the initial processing steps for passports.
