SECTION I. FINDINGS OF FACT AND PURPOSE

It is hereby found by the Board of County Commissioners of Hernando County, Florida, that road paving improvements are an essential service for the benefit of the health, safety, and welfare of the public. It is further the finding of the Board of County Commissioners that the Legislature has in Section 125.01(1)(q), Florida Statutes, provided for the creation of municipal service benefit units as a fund-raising vehicle to grant to all counties the financing flexibility to levy special assessments within the limits fixed for municipal purposes for the furnishing of municipal services within those areas receiving the benefit of such municipal services. It is the purpose of this Ordinance to create a County Municipal Service Benefit Unit for the purpose of providing road paving improvements within the boundaries of said unit, described in Exhibit "A" attached hereto and made a part hereof.

SECTION II. CREATION OF UNIT
