14 **SECTION VI. AMENDING IMPACT FEE SAVINGS CLAUSE. Section IV of Hernando**
15 **County Ordinance No. 2020-06, is hereby amended to read as follows, with underlined matter**
16 **added and struck-through matter deleted:**

17 The Board of County Commissioners intends to put Contractors and property owners on Notice
18 that the existing adopted County impact fees referenced in this Ordinance will be effective on
19 ~~November 9, 2020~~, November 1, 2024. Given the extended statutory notice required for the
20 effective date of new or increased fees, the general rule is that the new or increased impact fee
21 rates shall apply to all building permits and certificates of use issued after the stated effective date
22 of the Ordinance, i.e., after ~~November 9, 2020~~, December 2, 2024 (Phase I) and December 2, 2025
23 (Phase II). Accordingly, a complete application for a building permit or certificate of use, filed
24 prior to the effective date of the ordinance but not yet issued a permit on the effective date, will be
25 subject to the impact fee rates in effect at the time the building permit or certificate of use is
26 actually issued by the county except as provided herein. The Board of County Commissioners
27 will provide a savings clause (i.e. a process granting an exemption from the impact fee rates
28 effective on ~~November 9, 2020~~ December 2, 2024 (Phase I) December 2, 2025 (Phase II) for
29 completed building permit or certificate of use applications (as applicable) accepted for filing by
30 the Building Department prior to the effective date (provided that the application remains in an
31 active status) and existing private party construction contracts which in good faith contemplated
32 that the fees would still be reduced or non-existent at the time the contract was executed by both
33 parties.

34
35 **SECTION VII. AMENDING CONSTRUCTION CONTRACT EXEMPTION**
36 **VERIFICATION PROCESS/DECISION BY COUNTY ADMINISTRATOR. Section V of**
37 **Hernando County Ordinance No. 2020-06, is hereby amended to read as follows, with underlined**
38 **matter added and struck-through matter deleted:**

39 The County recognizes that prior to the effective date of this Ordinance, Hernando County
40 property owners and duly licensed construction contractors have executed bona fide contracts in
41 good faith for the construction of improvements which will be required to pay increased impact
42 fees under this ordinance when the building permit or certificate of occupancy is issued. Because
43 the Commission does not wish to unduly burden existing bona fide contracts entered into between
44 private parties in good faith, the Commission will, upon verification, recognize such contacts as
45 exempt from the new or increased fees which are effective ~~November 9, 2020~~ December 2, 2024
46 (Phase I) and December 2, 2025(Phase II), and will permit the responsible party to instead pay the
47 impact fee in place immediately prior to the effective date of this Ordinance.

1 To be exempt from the fees effective on ~~November 9, 2020,~~ December 2, 2024 (Phase I)
2 and December 2, 2025 (Phase II), both the Owner and Contractor must submit a sworn
3 verification statement on a form provided by the County; the form shall reflect the following
4 mandatory criteria and standards:

8 statements, attesting to the date the contract was executed, the impact fees, including amounts, the
9 contract contemplated would need to be paid by the respective parties, if any, including the
10 specific reference to the contract language concerning such fees.
11

12 2. A true and correct copy of the contract with an execution date prior to ~~November 9,~~
13 December 2, 2024 (Phase I) and December 2, 2025(Phase II), must be attached to the sworn
14 statement and attested to under oath, and under penalty of perjury and false official statements, as
15 being a true, correct, and unaltered copy of the contract executed on the dates noted in the
16 contract.
17

18 3. The party representing the owner must be the record owner of the property or have
19 submitted information showing the party's authority to sign for the owner. Proof of ownership in
20 accordance with the requirements of the Building Official may be provided.
21

22 4. The party signing for the contractor must show evidence that the contractor's company
23 is an existing legal entity recognized to do business in the State of Florida and that the party is
24 authorized to sign on behalf of the company.
25

26 5. The Contractor must be licensed by applicable local, state, and or federal authorities to
27 do the work called for in the contract, including licensed at the time the contract was executed.
28

29 6. The sworn statement and supporting materials must be provided to the County
30 Building Department no later than the close of business on ~~June 1, 2020,~~ December 2, 2024
31 (Phase I) and August 30, 2025 (Phase II) to be considered exempt from the fees established in this
32 Ordinance to be effective on ~~June 1, 2020,~~ November 1, 2024 (Phase I) and December 2,
33 2025(Phase II). The Administrator may waive strict compliance with the deadline for good cause
34 shown.
35

36 7. The Administrator or his/her designee will make a written decision on whether the
37 exemption should be granted to avoid interference with the submitted contract. The decision may
38 be appealed to the Board of County Commissioners only if the written appeal is filed in the
39 County Administrator's office within ten (10) calendar days of mailing or delivery of the written
40 decision. When a contract has been verified in writing by the County, the application shall be
41 considered conditionally exempt from the new impact fees of this ordinance; accordingly, the
42 impact fee rate structure in effect immediately prior to adoption of this Ordinance shall apply
43 provided a complete application for a building permit or certificate of use (as applicable) is
44 submitted (and all applicable application fees paid) by the close of business on ~~December 1, 2020~~
45 June 2, 2025 (Phase I) and June 2, 2026(Phase II). If a complete application is not submitted
46 during this period, the property shall no longer be exempt and shall be subject to the prevailing
47 impact fee rates.

1 8. The exemption referenced herein is further subject to a condition that the building
2 permit or certificate of use must be issued by the Building Department and all fees paid, within one
3 hundred and eighty (180) days from the date of receipt of a complete building permit/certificate of use
4 application. If the permit or certificate is not issued during this period, the application shall no longer be
